

Dear Employer,

Since 2007 Aspire Richmond (formerly Richmond Society for Community Living) has been matching local employers with reliable, capable job seekers through our Aspire Employment Services Program.

As businesses deal with the challenge of hiring during a deepening labor crunch, many are discovering the need to be agile, open minded, and resourceful if they want to remain competitive. Hiring with diversity in mind is a resourceful way to tap into “underutilized talent pools” that can help you find the right-fit employees you need and maintain your competitive edge.

Because inclusive hiring is uncharted territory for some employers, Aspire is here to provide insight, guidance, support and resources.

We are dedicated to helping job seekers and employers build long-term relationships. We do this by helping employers to successfully hire, train and maintain hardworking, reliable, capable and dependable employees and by supporting our job seekers to enhance their skills, realize their potential and build independence. Employers win, job seekers win, and so does the community!

Some of the benefits of working with Aspire Employment Services include:

- Quality job matching with pre-screened candidates in our program
- On-site training with 1:1 orientation for the successful candidate
- On-going support and monitoring to ensure employer/employee satisfaction
- Follow-up services

Aspire Employment offers this innovative program at no cost to the employer. For more information about Aspire’s employment services, or to inquire about joining the MentorAbility program, please contact me at 604.278-5374 or at [amelnyk@aspirerichmond.com](mailto:amelnyk@aspirerichmond.com). We look forward to helping you hire a person with a disability who will be a real asset to your business.

Yours truly,
